

PUBLIC SERVICE (PBS)

PBS 240 Constitutional Law (3 CR.)

Surveys state and federal constitutional provisions pertinent to the relations between state and federal governments. Examines separation of powers, delegation of powers, interstate relations, commerce powers, civil rights, and liberties. Gives consideration to the establishment and interpretation of federal, state, and local regulations which implement public policy. Lecture 3 hours per week.

PBS 255 Management of The Modern City (3 CR.)

Teaches basic concepts of city administration. Covers relationships among city, state, and federal jurisdictions as well as cooperative efforts among city departments. Uses case study methods to emphasize the environment and organization of the city, the city administrator, and intergovernmental relationships affecting the city. Lecture 3 hours per week.
