

# BIO 141 | **NEW PREREQUISITE FOR ALLIED HEALTH AND HEALTH SCIENCES MAJORS**

## Human Anatomy and Physiology I

**Option 1:**  
Complete  
BIO 101

**Completion of Bio 101 (General Biology 1)** with a grade of C or higher. **Recommended option for most students as Bio 101 is a transferable course and can be used to meet the science with lab requirement.**

**Option 2**  
Complete  
NAS-2

**Completion of NAS 2 (Foundations of Life Sciences)** with a passing grade. **Recommended for students that do not plan to transfer to a 4-year university or do not need Bio 101 as a graduation requirement.**

**Option 3**  
Take a  
Placement  
Exam

**Completion of the Placement Exam with a grade of 75% or higher.** Students must enroll in the CANVAS placement prep course using the QR code or link:

<https://learn.vccs.edu/enroll/KKN4KB>. Then schedule an appointment for the placement exam, at a NOVA testing center of your choice: <https://www.nvcc.edu/testing/>. **Highly recommended for students who have previously been successful in a biology and chemistry course, with a passing grade of C or higher.**
