

PERSONAL TRAINING, C.S.C.

Location(s): AL, AN, LO, MA, WO

NOVA Code: 221-460-01

Purpose

This program is based on the standards of the American Council on Exercise (ACE) and prepares students to become knowledgeable fitness professionals in health clubs, recreation departments, and fitness facilities in private, commercial, corporate, or government settings. Emphasis is placed on preparing students to sit for a nationally recognized certification exam in Personal Training.

Recommended Preparation

Students are expected to attain high levels of fitness during this program and, consequently, should be in good health to participate in vigorous workouts.

Special Admission Information

No classes will be waived without permission of a Personal Training advisor.

Completion Requirements

The following must be met to obtain the Personal Training Studies Certificate:

- Achieve a grade of "C" or better in all certificate courses
- Hold a current CPR certification
